Contoured Sippers

Contoured Sippers

Our 3-stage contoured Sippers are designed for growing babies. These unique AMOS Sippers allow easy transition from regular feeding bottles to trainer cups and sport sippers, helping babies develop independent feeding skills.

BPA-FREE

Equipped with detachable handles and hygienic caps, our feature-rich Sippers are produced from high-quality materials complying with international safety standards. AMOS Sippers are easy to clean, and dishwasher safe.

Mix-n-match different components adding colour and fun to a stimulating and vibrant mealtime experience!
